Please be aware that **Anglophone +** classes demand an exceptional level of engagement both on the part of the child and the parents. If your child is admitted, you must assure that your child has contact with English as much as possible.

If your child is admitted to **Anglophone +**, you need to be prepared to do your utmost to ensure that your child 'lives in English' (in addition to the 7 hours of lessons at Saint-Genevieve). This could mean: regularly visiting English-speaking countries; the English-speaking parent only speaking English with the child; your child participating in activities that require English to be spoken and heard, etc.
